

A prayer for God's Kingdom to come.

Our Father in heaven, we bow before You, our great and glorious King.

This world gives no weight to You, but we draw near to You in worship.

All power and authority belongs to You and we thank You that You have chosen to establish a kingdom.

In perfect justice, You could have written off the entire human race and left us to the ruin of our rebellion.

But in love and mercy, You chose to bring all who believe into Your kingdom.

We are so thankful, and gladly embrace You as our Lord and our King.

Father, we pray that Your reign may be seen more clearly in our lives.

Your kingdom come!

Through Jesus Christ our Lord, amen.
